timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the Depot. The earnest money will not be adjusted towards the value of timber, until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase, will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

L. P. MASCARENHAS,
District Forest Officer.

ENGINEERING DEPARTMENT.

MYSORE RAILWAYS.

Abstract Notification dated 16th March 1928.

The attention of the public is invited to the detailed Notification dated the 6th March 1928, *Re* the tender for "Constructing New Booking Office, Waiting Room, etc., at Nanjangud Town" published in pages 281 and 282, Part VI of the *Mysore Gazette*, dated 15th March 1928.

Notification dated 16th March 1928.

Notice is hereby given that sealed tenders will be received in the Office of the Executive Engineer Mysore Railways, up to 15th April 1928 for "Constructing a new Carriage shed at Central Workshops, Mysore". The approximate quantity and the description of work required to be done are given in a separate statement attached to the Notification. The work should be completed before 25th June 1928.

2. The plan and estimate may be seen at the Executive Enginrer's Office, Mysore, between the hours of 10 A.M. to 4 P.M., except on Sundays and authorised Holidays.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer on payment of rupee one.

4. The tender should be accompanied by a receipt from the Auditor, Mysore Railways, for having deposited Rs. 200, with him as earnest money for "Constructing a new Carriage Shed at Central Workshops, Mysore."

5. The final acceptance of the tender will rest with the Engineer-in-Chief who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual Schedule Agreement, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted, will pe but on the Notice Board in the Executive Engineer's Office in due course. No enquiries *re* the acceptance or rejection will receive any reply.

On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
